Payment to debtor's counsel in the amount of \$4,000.00 is determined to be reasonable for professional services rendered in this case. Trustee is authorized to pay the remaining balance of \$4,000.00 as an administrative expense pursuant to 11 U.S.C. \$503.

<u>Debtor's plan proposes to pay 100% back to their unsecured creditors because their income supports their ability to be able to do so.</u>

The Court finds that Debtor's case-specific reason for providing vesting at discharge as required by In re Steenes, 918 F.3d 554 (7th Cir. 2019), that such vesting is necessary in order for the Trustee to maintain standing to pursue claim issues under F.R.B.P. Rule 3002.1 as the mortgage is being paid through the Trustee conduit, is a sufficient reason for such alternative vesting.

Any secured claims provided for in 3.2 or 3.3 shall receive a monthly payment sufficient to pay the claim as provided by the completion of the plan.
